NAV has approved your application for 80 per cent parental benefit

Name: FURHOLT RICHARD I OCHOA

National identity number: 04068528157

We have reconsidered your case, and you are entitled to parental benefit. We have therefore changed the decision you previously have received.

You will receive 461 kroner per day before taxes starting from 4 November 2019. This is 9,988 kroner on average per month. The last day you will receive parental benefit is 6 January 2020.

Your employer pays you wages while you are on leave. The remainder of the parental benefit will be paid by NAV within the 25th of each month. Check your payments at nav.no/utbetalinger.

Because you gave birth before the due date, you lose 1 day of parental benefit.

We have granted the following

- You will receive 50 per cent parental benefit from 4 November 2019 up to and including 6 December 2019 because the other parent will receive parental benefit in the same period. During this period, you will receive 461 kroner per day before tax.
- Your parental benefit is postponed from 10 December 2019 up to and including 23 December 2019 because you are on holiday.
- Your parental benefit is postponed from 24 December 2019 up to and including 24 December 2019 because you are working full time.
- Your parental benefit is postponed from 27 December 2019 up to and including 31 December 2019 because you have been admitted to a health care institution.
- Your parental benefit is postponed from 2 January 2020 up to and including 6 January 2020 because your child has been admitted to a health care institution.

The parental benefit amounts to the same as before. Check your payments at nav.no/utbetalinger.

The last day of parental benefit is 6 January 2020.

There are 60 days left of your quota and 11 days left that you can both take. These days must be applied for by 27 March 2020.

The decision has been made in accordance with the National Insurance Act Sections 14-11 and 14-

12.

Because you have chosen 80 per cent parental benefit, you will be paid less per month.
